Respected Sir/Madam,

**SUB: Expenses – International Seminar on Inspire to Innovate: A Creative Business Thinking**

I am extremely thankful to our college management for extending moral and financial support to conduct International Seminar on Inspire to Innovate: A Creative Business Thinking on 28.02.2024 in our College Dharmamurthi Cunnan Auditorium. Initially the program was planned as a one day workshop and changed into One - day International seminar in consultation with the Principal Madam and Director Sir. Since the International Seminar was a full-day program that required meticulous planning and execution, resulting in expenditures exceeding our initially budgeted amount. The excess expenditure primarily arose from three main areas:

**Resource Persons and Chief Guests:** While our budget accounted for honorariums for four resource persons, we were honored to host not only four resource persons but also a chief guest. As such, the honorarium expenses exceeded the projected amount.

**Catering:** In order to ensure the comfort and well-being of our students throughout the duration of the event, we provided lunch and tea which was not given in the budget plan. These provisions were deemed necessary as students attended the International Seminar from 9.30a.m to 4.30pm.

**Banner Installation:** The event, was an international seminar, necessitated the installation of banners in the college auditorium's <sup>area</sup> ~~area~~. These banners served as essential visual aids and identifiers for our esteemed guests and participants, contributing significantly to the event's success. However, the costs associated with the creation and installation of these banner was not initially accounted for in our budget plan.

I would also like to bring to your kind notice the budget allocation and actual expenses incurred for the programme. I kindly request your consideration in granting the excess amount of Rs.5,432.5 spent.

Thanking you.
