## NATIONAL VOTERS DAY 2024

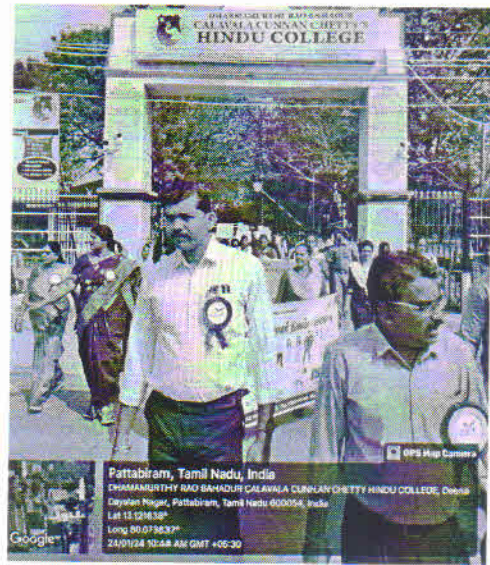

25/1/2024

The Electoral Literacy club with the students of the Department of Historical Studies proudly celebrated the National Voter's Day on the 25<sup>th</sup> January 2024, dedicated to foster a deeper understanding of the democratic process and the importance of voting rights among citizens particularly youth. National Voter's Day is celebrated in our college in associate with Taluk office Avadi on 25th January to mark the importance of each vote in a democracy. This year, the theme of National Voter's Day celebrations is **"Nothing like voting, I vote for sure"** and we are also approaching the 14th National voters' Day on 25th January, 2024. In this connection we organised the following events on that date:

- ❖ Rally
- ❖ Signature campaign
- ❖ Voters pledge
- ❖ Mock polling

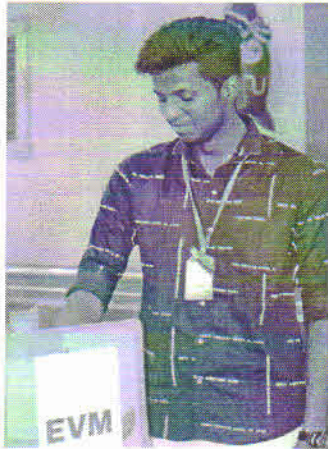

**Rally:**

**SIGNATURE CAMPAIGN**

## MOCK POLLING

### **IMPORTANCE OF CREATING AWARENESS ON VOTING PROCEDURES AND EDUCATING THE FRESH VOTERS**

Many young individuals may not be familiar with the voting process or the significance of their vote. Mock polling allows them to experience the process firsthand, understand how voting works, and familiarize themselves with the voting machines and procedures. By engaging fresh voters through mock polling exercises, the college fosters a culture of civic participation and encourages students to exercise their right to vote. Mock polling reinforces the principles of democracy by emphasizing the importance of active citizenship and civic engagement. It instills in young voters a sense of responsibility towards participating in the democratic process and making informed choices. Participating in mock polling prepares fresh voters for future elections by familiarizing them with the voting process early on. This experience can empower them to confidently participate in local, state, and national elections as they become eligible to vote.

D.O No. 491/ECI/SVEEP/ELC/2023, Dated: 13<sup>th</sup> December, 2023

Dear Sir/ Madam,

Please refer to the Commission letter no 491/ECI/SVEEP1/EL/ELC/2017 dated 3<sup>rd</sup> November, 2017 and follow up communications regarding establishing and operationalization of Electoral Literacy Clubs (ELCs). As reported, few States have harnessed the potential of the ELCs quite effectively by conducting various activities, others have not been able to derive full benefits from this initiative. The Commission has noted with concern that the ELCs have not delivered results as planned, which needs a serious review at your level.

2. With the General Elections to the Lok Sabha approaching, the Commission is quite focused on issues of electoral participation, more specially about the integration of new voters in the electoral process and the overall turnout of voters on the poll day. Considering the importance of educational institutions in promoting voter education and varied aspects of electoral participation, ECI has recently signed an MoU with Ministry of Education, Government of India, copies of which have already been shared with you.

3. As you are aware, ELCs are supposed to play a critical role by taking up a series of activities with clear timelines and planned outcomes as already stated in the Commission's earlier guidelines. It needs to be underlined that only setting up of ELCs and reporting numbers do not meet their objectives; they require regular handholding and monitoring in implementation of a well-designed schedule.

4. To galvanize the functioning of ELCs so that they can fulfil their assigned role in the run up to the upcoming elections, it fact necessary that States/UTs may henceforth report about the status of ELCs in the attached format that makes the functioning of ELCs more purposeful and accountable. You are requested to submit the initial report on ELCs pertaining to your State/ UT in the new format by the 29<sup>th</sup> of this month for review in the Commission.

5. In view of this, I would request your personal attention to ensure the functioning of ELCs in your State/ UT and submission of the aforesaid report by the stipulated date.

With regards,

Yours sincerely,

As you are aware, Electoral participation is vital for a democracy and it is imperative that the interest of youth for the same is encouraged. The young and future voters constitute a sizeable part of India's democratic polity and its future. The Election Commission of India (ECI) has been pursuing the ideals of inclusive and accessible elections along-with informed and ethical voting and striving to address the issues of youth apathy and urban apathy by making concerted efforts and forging suitable partnerships. The ECI is implementing its flagship programme called Systematic Voters' Education and Electoral Participation (SVEEP) that aims at universal and enlightened participation of all eligible citizens in elections inter alia by addressing urban and youth apathy. Continuous Electoral and Democracy Education (CEDE) is an important component of SVEEP strategy which needs to be formalized and grounded in the school and higher education system in order to motivate future voters for greater electoral participation that would enable them to be responsible citizens who take pride in being a part of our democratic system in an informed manner with a sense of duty and purpose to strengthen our democracy.

2. As a part of implementing the SVEEP programme, a MoU has been signed between the Ministry of Education and ECI on 02<sup>nd</sup> November, 2023 to incorporate voter education and electoral literacy formally into the School and University/ College education system to prepare future and new voters for greater electoral participation. The suggested activities in the MoU are given in the Annexure.

3. More than 90% students are enrolled in the State Higher Educational Institutions and thus for a meaningful impact, there is a need to ensure the percolation of the proposed activities at the State level. The UGC and AICTE as Regulators of Higher Education shall be separately issuing advisories on the matter.

4. In the light of above, I request you to impress upon State Universities and Colleges under the ambit of the State Governments' to take necessary steps to take up the suggested activities mentioned in the attached Annexure for deepening the spirit of democracy in the country. Chief Electoral Officers (CEOs), District Election Officers (DEOs), Electoral Registration Officers (EROs), and Booth Level Officers (BLOs) shall coordinate with the school/ higher education administration at respective levels for efficient execution of the partnership and take part in voter education and voter registration activities / events.

Encl: As above.

Chief Secretaries of all States/ UTs (as per list).

Copy to: 1. Shri Manoj Kumar Sahoo, Deputy Election Commissioner, New Delhi.

A copy of the signed MoU is attached herewith for your kind perusal.

2. As an immediate follow up action, I have written to Secretaries of both the Departments in the Ministry of Education highlighting priorities to operationalise the provisions of the MoU. As we are racing against time for the Lok Sabha Elections 2024, following specific action points require your kind attention:

  - ii.) Co-ordinating with State Education Boards on systematically integrating voter education and electoral literacy into the curricular framework, starting from classes 6 to 12 in all schools. A comprehensive proposal from the Commission is already under consideration of the NCERT. It is expected that they will introduce and update textbooks to include the content from next academic year and State Boards will follow suit;
  - iii.) Scaling up the programme of ELC and facilitating State Education Departments to have a greater sense of ownership with you to effectively run ELCs. And ELCs may be leveraged for higher youth turnout in forthcoming elections;
  - iv.) Evolving a robust mechanism with Schools and Colleges to fulfil the aspirational objective of ECI to handover the voter ID card to every student immediately after attaining the age of 18 years. I am sure you are taking necessary steps already under SSR, 2024;
  - v.) Taking up with State Education Department to see that one of the rooms in every senior secondary school is designated as the 'Democracy Room' for regular display of voter education materials

D.O.No. ECI/1/2023, Dated 07<sup>th</sup> November, 2023

Dear Ma'am/Sir,

As you are aware, a Memorandum of Understanding (MoU) on electoral literacy was signed on 02.11.2023 between the Election Commission of India (ECI) and the Ministry of Education, involving the Department of School Education & Literacy and the Department of Higher Education. A copy of the signed MoU is attached herewith for your kind perusal.

2. As an immediate follow up action, I have written to Secretaries of both the Departments in the Ministry of Education highlighting priorities to operationalise the provisions of the MoU. As we are racing against time for the Lok Sabha Elections 2024, following specific action points require your kind attention:

- i.) Co-ordinating with State Education Departments to assess how they propose to operationalise the provisions of this MoU in every School, College and Institution of Higher Education by making it an integral part of their functioning;
  - ii.) Co-ordinating with State Education Boards on systematically integrating voter education and electoral literacy into the curricular framework, starting from classes 6 to 12 in all schools. A comprehensive proposal from the Commission is already under consideration of the NCERT. It is expected that they will introduce and update textbooks to include the content from next academic year and State Boards will follow suit;
  - iii.) Scaling up the programme of ELC and facilitating State Education Departments to have a greater sense of ownership with you to effectively run ELCs. And ELCs may be leveraged for higher youth turnout in forthcoming elections;
  - iv.) Evolving a robust mechanism with Schools and Colleges to fulfil the aspirational objective of ECI to handover the voter ID card to every student immediately after attaining the age of 18 years. I am sure you are taking necessary steps already under SSR, 2024;
  - v.) Taking up with State Education Department to see that one of the rooms in every senior secondary school is designated as the 'Democracy Room' for regular display of voter education materials
3. Looking forward to your wholehearted support for this noble endeavour.

With regards,

Yours Sincerely,  
Manoj Kumar Sahoo

Election Commission of India

D.O No. 491/ECI/SVEEP/ELC/2023, Dated: 13<sup>th</sup> December, 2023

Dear Sir/ Ma'am.

Please refer to the Commission letter no 491/ECI/SVEEP1/EL/ELC/2017 dated 3<sup>rd</sup> November, 2017 and follow up communications regarding establishing and operationalization of Electoral Literacy Clubs (ELCs). As reported, few States have harnessed the potential of the ELCs quite effectively by conducting various activities, others have not been able to derive full benefits from this initiative. The Commission has noted with concern that the ELCs have not delivered results as planned, which needs a serious review at your level.

2. With the General Elections to the Lok Sabha approaching, the Commission is quite focused on issues of electoral participation, more specially about the integration of new voters in the electoral process and the overall turnout of voters on the poll day. Considering the importance of educational institutions in promoting voter education and varied aspects of electoral participation, ECI has recently signed an MoU with Ministry of Education, Government of India, copies of which have already been shared with you.

3. As you are aware, ELCs are supposed to play a critical role by taking up a series of activities with clear timelines and planned outcomes as already stated in the Commission's earlier guidelines. It needs to be underlined that only setting up of ELCs and reporting numbers do not meet their objectives; they require regular handholding and monitoring in implementation of a well-designed schedule.

4. To galvanize the functioning of ELCs so that they can fulfil their assigned role in the run up to the upcoming elections, it fact necessary that States/UTs may henceforth report about the status of ELCs in the attached format that makes the functioning of ELCs more purposeful and accountable. You are requested to submit the initial report on ELCs pertaining to your State/ UT in the new format by the 29<sup>th</sup> of this month for review in the Commission.

5. In view of this, I would request your personal attention to ensure the functioning of ELCs in your State/ UT and submission of the aforesaid report by the stipulated date.

With regards,

Yours Sincerely,

D.O. No. 16-38/2022-U1A

Dated: 29<sup>th</sup> November, 2023

As you are aware, Electoral participation is vital for a democracy and it is imperative that the interest of youth for the same is encouraged. The young and future voters constitute a sizeable part of India's democratic polity and it's future. The Election Commission of India (ECI) has been pursuing the ideals of inclusive and accessible elections along-with informed and ethical voting and striving to address the issues of youth apathy and urban apathy by making concerted efforts and forging suitable partnerships. The ECI is implementing its flagship programme called Systematic Voters' Education and Electoral Participation (SVEEP) that aims at universal and enlightened participation of all eligible citizens in elections inter alia by addressing urban and youth apathy. Continuous Electoral and Democracy Education (CEDE) is an important component of SVEEP strategy which needs to be formalized and grounded in the school and higher education system in order to motivate future voters for greater electoral participation that would enable them to be responsible citizens who take pride in being a part of our democratic system in an informed manner with a sense of duty and purpose to strengthen our democracy.

2. As a part of implementing the SVEEP programme, a MoU has been signed between the Ministry of Education and ECI on 02<sup>nd</sup> November, 2023 to incorporate voter education and electoral literacy formally into the School and University/ College education system to prepare future and new voters for greater electoral participation. The suggested activities in the MoU are given in the Annexure.

3. More than 90% students are enrolled in the State Higher Educational Institutions and thus for a meaningful impact, there is a need to ensure the percolation of the proposed activities at the State level. The UGC and AICTE as Regulators of Higher Education shall be separately issuing advisories on the matter.

4. In the light of above, I request you to impress upon State Universities and Colleges under the ambit of the State Governments' to take necessary steps to take up the suggested activities mentioned in the attached Annexure for deepening the spirit of democracy in the country. Chief Electoral Officers (CEOs), District Election Officers (DEOs), Electoral Registration Officers (EROs), and Booth Level Officers (BLOs) shall coordinate with the school/ higher education administration at respective levels for efficient execution of the partnership and take part in voter education and voter registration activities / events.

Respected Madam/Sir,

Please refer to our earlier letter D.O. No. 1-1/2024(Secy/SVEEP) dated 12<sup>th</sup> Feb 2024. A Memorandum of Understanding (MoU) has been signed between the Election Commission of India (ECI) and Ministry of Education (MoE) for implementing its flagship programme called Systematic Voters Education and Electoral Participation (SVEEP) that aims at universal and enlightened participation of all eligible citizens in elections inter alia by addressing urban and youth apathy.

In this regard, voter's awareness campaigns for the youth in the Higher Educational Institutions (HEIs) are to be organized. The HEIs running the NSS programs need to register their NSS program officers on MyBharat portal using the link [www.mybharat.gov.in](http://www.mybharat.gov.in) at the earliest and upload photos of the various initiatives taken.

In addition, all HEI's should keep their Auditoriums/ Conference room ready for live streaming of the Voters Awareness Campaign, the same should be viewed by maximum students of your HEI. Principal of the HEI along with the NSS representative will be the coordinators of this campaign.

An online meeting for the same has been planned by UGC on 19<sup>th</sup> Feb at 11 am under the Chairmanship of Joint Secretary, CDB -II. Zoom Link is given below:

## MOCK POLLING

### **IMPORTANCE OF CREATING AWARENESS ON VOTING PROCEDURES AND EDUCATING THE FRESH VOTERS**

Many young individuals may not be familiar with the voting process or the significance of their vote. Mock polling allows them to experience the process firsthand, understand how voting works, and familiarize themselves with the voting machines and procedures. By engaging fresh voters through mock polling exercises, the college fosters a culture of civic participation and encourages students to exercise their right to vote. Mock polling reinforces the principles of democracy by emphasizing the importance of active citizenship and civic engagement. It instills in

young voters a sense of responsibility towards participating in the democratic process and making informed choices. Participating in mock polling prepares fresh voters for future elections by familiarizing them with the voting process early on. This experience can empower them to confidently participate in local, state, and national elections as they become eligible to vote.
